## New Children's Book

We are delighted with our new children's book, [\*The Way of the Master for Kids\*](#)

(thanks to our editor, Lynn Copeland). With two books in one (for ages 3-5 and 6-10), this four-color, hardback publication helps kids learn how to refute the theory of evolution, prove the existence of God, and

see how the Bible is supernatural in origin. In addition, kids will learn to memorize the Ten Commandments for life (in just five minutes), understand why they need Jesus, and know how to reach their friends for Christ. All this is written in a language that kids can understand. Perfect for every parent and children's worker.

## NEW COLUMNS

Kirk Cameron

### [\*\*My First Trip to Jail\*\*](#)

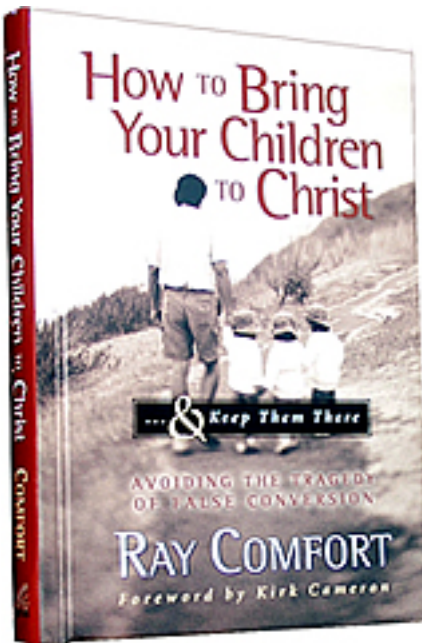

"My heart was beating a little faster and heavier than usual, as I drove into the cement parking structure of the Los Angeles Men's Central Jail..."

Ray Comfort

### [\*\*An Obvious Miracle\*\*](#)

"I thought that perhaps this was God's way of letting me know that He was leading me. It was encouraging..."

## How to Bring Your Children to Christ

Our new book, [How to Bring Your Children to Christ...& Keep Them There](#), has been going like hot cakes on a cold day in Alaska, so we are getting a second printing. Thank you for telling others about this vital tool. Subtitled "Avoiding the Tragedy of False Conversion," this is an essential message for all children's workers. If you don't have kids but have churchgoing relatives or friends who do, this is a gentle (and inoffensive) way for them to learn about true and false conversion. The teaching is [also available on CD](#).

## Preaching in a Mall

At the recent Worldview Weekend conference in Branson, Missouri, Kirk and Ray did "open-air" preaching inside a mall. It was an amazing opportunity to speak to so many unsaved people. Several hundred people packed around a stage near a Wal-Mart entrance and heard a clear gospel message.

## Kirk Cameron's Nephew

*The following is an update on Kirk's 5 year-old nephew, Lev, who recently had his second operation for "cholesteatoma." We asked you to pray that the surgery would be successful...*

"Thank you!!!! God has heard our prayers! Lev is out of surgery and everything couldn't have gone more perfectly. There was no regrowth of the tumor and they didn't have to open up his ear from the back like they did last time. They went through the canal and found it to be clean. They went ahead and put in the 3 bone prosthesis which will now help him to be able to hear. He should be able to regain about 80% of his hearing. Praise be to God as His hand has been on little Lev right from the beginning. Miracle after miracle we have witnessed!"

## Graduating Seniors

For any graduating seniors in your life, you may want to consider giving a gift of [The Evidence Bible](#). With its excellent apologetics, tools and evangelistic insights, it will help equip them to make an eternal difference this summer.

## Encouraging Mail

"This is by far the best form of evangelism I have ever seen. In some ways I feel a bit foolish in that it has taken me so long to get it. I graduated magna cum laude from Liberty Baptist Seminary in Apologetics. I had the best professors around (Norm Geisler, Gary Habermas, J. P. Moreland), and I have been gifted to debate with the cultist, religionist, atheist--but now I see what was missing in my evangelism. All these years I was communicating primarily to the intellect and not the conscience!"

--Pastor James P., NY

"Since learning the use of the Ten Commandments in evangelism to reveal one's guilt, we have seen a remarkable change . . . Never before have I seen men, women, teens come under conviction in just minutes. As a general rule, we do not ask people to pray right then but leave them to go with encouragement to repent and turn to God. It would be a safe estimate that four, perhaps eight, others have cried for mercy from God to save their soul. I have never found people in England to fall under so much conviction on a first-time discussion with a complete stranger. This has been amazing, and to think that the 'key' has been in our Bibles all this time!"

--Tom W., Missionary, England

***Sent in by Todd S. (Canada)***

Our Pastor had agreed to allow us to teach the principals of Way of the Master. He said that if we could get 20-25 people to sign up for [the Foundation Course](#), that he would consider it to have been a huge success. Well, we didn't have 25 people, we had 65!

For eight weeks we taught every Wednesday night from 7 - 9, going through each DVD of the Foundation course. My brother, Brad, and I started each session with a worship song, then prayer, then the last week's study guide assignment in a group session discussion. We ordered everyone in the class their own study guide, as well as over \$300 in [tracts](#), and [coins](#), and [pennies](#), etc to give to each of them as they stepped out for Him.

The evaluations were incredible at the end of the program! People were led to Him throughout the course, and 65 more soldiers are equipped. But best of all we have a waiting list to run the Foundation Course again!

**Do you want to contribute your witnessing experiences, tract stories and creative evangelism ideas to the "Coffee Break" column? Send them to: [share@wayofthemaster.com](mailto:share@wayofthemaster.com), and maybe we'll use yours!**
