The Way of the Master Radio

We can't express how excited we are about the proposed "The Way of the Master Radio." For details check out www.WayOfTheMasterRadio.com and for the upcoming dinner [see this page](#). On the 14th we linked our new sound studio in California with KKMS radio in Minneapolis. This was for a live test broadcast, using an ISDN line which makes Ray and Kirk sound like they are actually in the studio co-hosting with Todd Friel. To our delight it worked. The sound quality was amazing.

During the interview with Ray, Todd mentioned about Satan being "the prince power of the air," and how it seems that he has some influence over air waves. After about 30 minutes, there was a sudden flash in the California studio. A power surge cut the power to every computer in the ministry, destroying all of our broadcast settings and taking us off the air.

It was a good sign, as it was a reminder that this isn't going to be your typical Christian radio station. We are going to make "Hell's Best Kept Secret" known

NEW COLUMNS

Kirk Cameron

Electric Evangelism

"I recently had a professional electrician do some wiring work on my house. I knew I wanted to witness to him so I planned my approach..."

Ray Comfort

Be Careful What You Pray

"Be careful what you say to God. Experience has taught me that He often answers a prayer, even if it's mumbled..."

worldwide, and then equip Christians around the world to evangelize biblically.

It was a wakeup call to ask you not to pray passively for us, but to soak "The Way of the Master Radio" and everyone involved in it, in fervent prayer.

Halloween Special

The best time for giving out tracts is coming up soon. Turn the darkest night of the year into a night of light. Put a sign on your door, "Trick or Treaters Welcome," get some candy and get ready to have a stack of unsaved people come knocking on your door. We have found that the tracts in the [Halloween Special](#) are very well received.

(You may also be surprised to read [Ray's article, "Why I love Halloween."](#))

America and Hurricanes

Have you noticed that there isn't much mention of God when it comes to the recent hurricanes? Why does He allow them? Is He in charge of the Weather Department? For a balanced explanation to give to the unsaved see the [America, America](#) tract. The beginning of the tract reads:

See if you can spot the odd one out: earthquakes, floods, droughts, cancer, AIDS, terrorism, war, hurricanes, God's blessing, tornadoes. Of course "God's blessing" is the oddity. Yet, there are many who would believe the entire list is harmonious. In their ignorance, they think that the devastating things that are happening to this nation are

nothing more than nature doing her own thing... [MORE...](#)

I Got off at George Street

If you ever feel discouraged because you don't see immediate fruits for your labors, this brief message will change that. To make the message easier to share as an encouragement to others, [George Street is now available on CD.](#)

...: 3/4 Ton Tract ...:

Sent in by Max P. (Courtland, VA)

I recently purchased a new Ford 3/4-ton pickup truck to pull our church's Disaster Relief trailer as we minister to those devastated by natural and urban disasters. (It is an awesome opportunity to share the gospel!) However, I had asked God how the truck might be further used to His glory. Then I received the idea to letter the tailgate. I had it lettered yesterday. Thank you for your ministry. May God continue to richly bless it and you!

...: Windshield Witness ...:

Sent in by Gary C. (Reno, NV)

I see cars with all sorts of sayings on the windshield and thought this would be a better way to proclaim Christ. Some say "JESUS IS LORD" or "FEAR NOT," etc. I wanted something that gave the lost a way to learn more than just a nice saying...such as an actual website that asks "Are you good enough to get to Heaven?" I hope this encourages others to do the same.

Do you want to contribute your witnessing experiences, tract stories and creative evangelism ideas to the "Coffee Break" column? Send them to:

share@wayofthemaster.com, and maybe we'll use yours!

(Please include your first name, last name, and location, in case we use *your* story!)

God bless,
