Evolution vs. Intelligent Design

The controversy between evolution and intelligent design is huge at the moment, with school boards being challenged by many to allow intelligent design to be presented to students as an option to the theory of evolution. So we have put together "[The Evolution Package](#)." The package includes five copies of the award-winning DVD "The Science of Evolution" FREE (\$60 worth of material for \$40). These are for you to send to your local school board members. The cover has been designed so that there is no indication whether it is for evolution or intelligent design, so that viewers can watch it with an open mind. Here is what you get in the package:

1. [The Evidence Bible](#) (pocket version). Answers to 100 commonly asked questions and objections to the Christian faith, including many about evolution.
2. [God Doesn't Believe in Atheists](#) (192 pages). Makes the atheist backslide by proving the existence of an Intelligent Designer. Very humorous. Great gift for the unsaved.

NEW COLUMNS

Kirk Cameron

[The First Time](#)

"The first time I put the principals of "Law to the proud/Grace to the humble" into practice, it was upon myself. I examined my own heart by the standard of the Ten Commandments..."

Ray Comfort

[The Monkey](#)

"Recently, a friend told me that a Christian woman went into her house, closed the door, fell on the floor, and pleaded with God to forgive her. Her fiance's father had suddenly committed suicide. There were no warning signs. He wasn't saved, and she had never bothered to witness to him..."

3. [The Way of the Master for Kids](#). Proves intelligent design in a way kids understand.
4. [Did the Butterfly Evolve?](#) (greeting card tract). More compelling evidence for intelligent design--open the card and a butterfly flies out.
5. [Scientific Facts in the Bible](#) (96 pages). Quick reference book of scientific facts that prove that creation is right and evolution is wrong.
6. And you get five copies of ["The Science of Evolution"](#) free of charge. This DVD doesn't follow the normal format of having different experts presenting evidence for and against the theory of evolution. It instead lets evolutionary believers put their own foot in their mouth, simply by asking them probing questions about the scientific basis of the theory. As the program evolves, Kirk and Ray take an orangutan to lunch, where the three of them discuss the theory over salads. They also call eight major airlines and ask if a "relative" can join them on a plane.

Living Waters Australia and Europe

The exciting news is that two more agents have opened their online doors: [Living Waters Australia](#) and [Living Waters Europe](#). Now those of you who live in these areas won't have to pay the high overseas shipping costs to have access to the ministry's videos, teaching materials, and tracts. Also keep your eyes open for Living Waters Africa... coming soon.

Christmas Ideas

Don't pass up the many opportunities this Christmas season to share the gospel with those around you. Think about all the people in your circle: your relatives, neighbors, the mailman, the UPS driver, or your work mates.

Our [Christmas Special](#) this year includes: four copies of *What Hollywood Believes* (softcover), three of *101 Things Husbands Do to Annoy Their Wives* (hardcover), and three of *Life's*

Emergency Handbook (hardcover). We will also throw in a free "The Narnia Story" CD. Instead of fattening up neighbors and friends with a box of chocolates this Christmas, give them something that will send them to the cross. \$25.

Perhaps this would be a good time to give "The Greatest Gamble," *God Doesn't Believe in Atheists*,

or "The Science of Evolution" to family and friends who are resistant to your witness. Check out our [Christmas Gift Ideas](#) for other suggestions on maximizing this opportunity. We also have [great gifts](#) for the Christians in your life to help them learn how to tell others about the Savior.

Strangers seem to be much more friendly and receptive this time of year, so we should be prepared to take advantage of this season. [Here are some more ideas:](#)

- Go to the malls and hand out the [Printable Christmas Quiz Tract](#), or give one to the cashier/salesperson each time you shop.
- Have a float in the Christmas parade and hand out [Million Dollar Bills](#) or the [Printable Christmas Quiz Tract](#).
- As crowds are gathered to watch the Christmas parade, offer people hot chocolate and a [tract](#), or take them through the [Christmas Quiz](#).
- Send the [Christmas E-Card](#).
- Fill small gift bags with small toys/trinkets, homemade Christmas goodies, fresh fruit, and a [tract](#), and have your Sunday school class or youth group go caroling door-to-door. Do this in the poorest neighborhoods in your town, and you will be so blessed!

The Way of the Master Radio Fundraising Banquet

[The Way of the Master Radio](#) program will begin airing on January 2, 2006. If you'd like to be involved in getting this unique program on stations worldwide, there's still time for you to sign up to attend a fundraising banquet in Los Angeles. Over four hundred people have registered to join Kirk, Ray, and Todd Friel on **December 2** to hear about this exciting opportunity. We would love to see you there. For more details just [follow this link](#).

Getting the Secret Out

A Christian sister in Sydney, Australia, asked if we would allow her to send out the ["Hell's Best Kept Secret" CD](#) to the pastors in her city. We were delighted to work with her and formulated a letter with some encouraging endorsements for her to include. The following week 1,368 pastors in Sydney received free copies of this powerful, life-changing message. Please pray that they take the time to listen to it. You might like to do a similar mailing in your city. We can provide the [letter in PDF format](#), and if you are sending the CD to pastors, you can get them professionally packaged in shrink-wrapped jackets for just 60 cents each.

Narnia CD

In addition to the free [email tract](#) that you can send to lost friends and relatives, we now have a [Narnia CD](#) available, thanks to Kingdom Tapes, Inc. This 16-minute evangelistic message has been produced for the unsaved, and is priced so that you can afford to give it away. You can listen to the very clear gospel message by Ray (introduced by Kirk) online at www.NarniaStory.com.

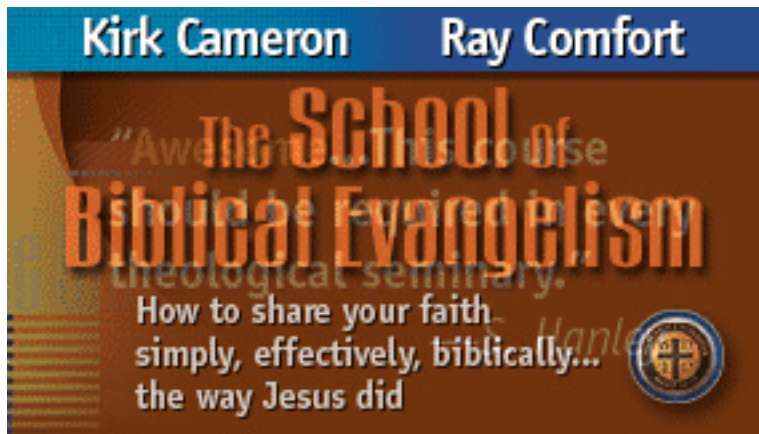

Left Behind III

The *Left Behind: World at War* DVD includes a specially adapted version of "The Firefighter" (an episode of "The Way of the Master" TV show) at the end of the disk under "Special Features." Please pray that the many Christians who watch the movie also watch this program, which challenges them about their evangelistic responsibility. The [Left Behind DVD](#) is also now available for purchase through our ministry.

Local Ministry

Because of ministry commitments, Ray turns down most requests for him to speak long distances from the Southern California area. However, he *is* available for churches nearby. Inquires can be sent to schedule@livingwaters.com.

...: Millions of Ways to Witness :...

Sent in by Joel M. (Springfield, OH)

I just wanted you to know that my family and I had a wonderful time handing out millions of dollars tonight. We went through the Target checkout "attempting" to use the [Million Dollar Bill tract](#). The cashiers always make priceless faces. One laughed and then read it out loud so all within 15 ft. could clearly hear. We handed out several other millions to the cashiers. The manager was paying attention from afar and approached the cashiers after we left. My son wanted to buy a candy bar so my wife and kids went back in to hear that the manager was really upset... because she hadn't gotten one herself! My wife quickly offered her one and she graciously accepted and they all simultaneously shouted, "Thank you!" as we left. We always have a great experience with the Million Dollar Bill. Also, with our friends and family who are Christians we are putting two of the Million Dollar Bill tracts in their Christmas cards [with a note to encourage them to hand them out this Christmas Season](#). We are trying to encourage many of them to witness! We want to show them how easy it is and how much people enjoy receiving the Million Dollar Bill.

...: You're Worth a Million Bucks! :...

Sent in by Jessica H. (Fresno, CA)

Being a first-time tract giver, I was somewhat nervous about how they would be received. But I was determined to share Jesus Christ with someone. So, armed with several [Million Dollar Bills](#), I headed out to run some errands. The first store I came to, the lady behind the cash register seemed gruff and almost perturbed by my presence. Undaunted, I pulled out one of my bills, handed it to her and said, "I just wanted to let you know you're doing a great job, and to me you're worth a million bucks." She looked at it...and then at me...and then as a smile crept over her face she came around the counter, hugged me and whispered into my ear, "I really needed that. Thank you so much!" I told her to make sure she read the back and she agreed that she would. I have to tell you--that being my first experience, I about cried for joy when I got into my car. You just never know where people are in their lives and that they might really "need" a million bucks. Thanks for your amazing ministry. God bless you!

Note: The Million Dollar Bill Tract is now also available in [Spanish](#).
