L.A. Fundraising Dinner

We are grateful for all those who attended the Los Angeles fundraising dinner on December 2 for the upcoming Way of the Master Radio program. It's such an encouragement to see what God is doing in this exciting ministry opportunity! ([See more pictures here.](#))

Through the generous support of those who attended, we were able to raise much-needed funds to get this vital teaching on the air and around the world.

We are currently planning a dinner in Dallas with Kirk, Ray, and Todd Friel. We'd love for you to join us if you can. This is a wonderful cause, and it is an unprecedented opportunity to equip Christians around the world to share their faith. If you'd like to support the Way of the Master Radio program, due to begin airing January 2, you can find out more information by visiting [WayoftheMasterRadio.com](#).

NEW COLUMNS

Kirk Cameron

"I once gathered a flatbed truck, a pot-bellied Christian, a rented Santa suit, a large bag full of candy, some musical instruments, carol songbooks, and a megaphone..."

King Kong Release

The long-awaited King Kong movie premieres in theaters on December 14. This is a great opportunity to hand out [Something to Think About](#) tracts. Their guy (<http://www.kingkongmovie.com/>) looks pretty close to our guy, don't you think?

Court Case Update

On September 30, after more than two and a half years of daily exercising their First Amendment free-speech rights by preaching outside the local courthouse, Ray and EZ (our General Manager) were banned by a Los Angeles County judge from preaching the gospel on public soil (see www.freespeechrights.com).

After filing a law suit, Ray and EZ were notified by their attorneys, from the Alliance Defense Fund, that the original court order had been amended by the judge who issued it. So they went to the police and asked if they could speak, and predictably, a deputy sheriff gave them the amended court order, pointing out that they had to stay "100 feet from any doorway to the courtrooms."

Ray and EZ took the time to measure 100 feet from the doorway to the courtrooms, and to their delight found that it was only 15 feet away from where they used to speak. So the next day Ray politely began speaking to what seemed a receptive crowd of about 50 people, exactly 100 feet from the doorway. A short time later, the deputy sheriff stopped him and informed him that the "doorway" didn't mean "doorway." It meant the beginning of the *entrance* leading up to the doorway, which was a railing 53 feet away. So they moved back another 53 feet to a distance of 153 feet from the doorway, Ray finished speaking, and then EZ began. A few minutes later, the deputy returned (it would seem that he was being directed by the Court Administrator), and said that they weren't allow to speak *anywhere* on the property or even approach anyone to give out a free CD or any literature. The case continues--we value your prayers and will keep you informed.

Christmas Special

Don't miss out on the fabulous [Christmas Special](#)--ten (yes, *ten*) books and a CD for just \$25! Now you can afford to be generous with everyone. Take the opportunity this Christmas to get the gospel into the hands of those you care about--your unsaved family, friends, neighbors, coworkers, etc. And don't forget the Christians on your list--we have wonderful parenting resources, Evidence Bibles, and other [equipping tools](#) to help them reach the lost.

You've Got to See This!

This unique tract holder is so unusual you will not believe it, *even though you see it with your own eyes*. PLEASE follow this link (livingwaters.com/dog) and watch the video clip. It is an *amazing* optical illusion. Put this on your desk at work and watch your coworkers stop and stare at it.

New Outreach Opportunity

Check out this new evangelistic web site. It offers \$10,000 to *anyone* can prove that they've kept the Ten Commandments. The link is easy to remember:

Narnia Tract

Our Living Waters agents in New Zealand, where *The Chronicles of Narnia* was filmed, sent us this email: "We noticed about 300-400 people standing in a line. Josh asked what the line was and a woman answered, 'We are the cast and crew for the *Narnia* movie.' Pete ran back to the dorm and got the [Narnia tracts](#), and we unloaded 250 tracts (Smart Cards and Narnia tracts) in less than ten minutes. It was incredible." --Jared L.

Don't forget that this movie is an incredible opportunity to get the gospel into the hands of the unsaved. The [Narnia CD](#) has been going like hotcakes, and contains perhaps the [clearest gospel message](#) Ray has ever recorded. It is introduced by Kirk and comes shrinkwrapped with quality graphics.

From our UK Agent

Our Living Waters agent in the U.K. wrote to tell us about an executive at Harrods, the world famous department stores:

"The top man [the owner] is an Egyptian (Al Fayed). It was his son who was killed in the same car as Princess Diana. This morning I spoke with a Christian brother who was dropping Million Dollar Bills on the floor of the store yesterday. He was approached by 'the man himself' who had found one. The brother was able to speak to this man about his soul and leave him a Ten Commandments coin."

You never know who will encounter a [gospel tract](#) and find eternal life, so be faithful to always have some with you and leave some wherever you go. Their gospel message is applicable around the world!

New Copyright Policy

Due to recent developments and various warranted reasons, it has become necessary for Living Waters Publications and The Way of the Master to adopt and implement a new copyright policy. Our new official policy, effective December 5, 2005, reads as follows: "**All Living Waters Publications and The Way of the Master resources are copyright protected. With the exception of the Hell's Best Kept Secret and the True and False Conversion audio messages (along with any other resources that might appear in the ["Free Duplication"](#) section of our website), duplication of any ministry resources, whether intended for sale or free distribution, is strictly prohibited. This includes books, tracts, study guides, videos (DVD and VHS), CDs, MP3s, etc. We thank you for your cooperation and understanding.** [To learn more, download the full statement.](#)

A Milestone for SOBE

Last month, enrollment in the online [School of Biblical Evangelism](#) hit 6,000 students. People from 20 countries are learning and putting into practice the methods of biblical evangelism! We are in awe

at what God has done in just a few years.

"This course has really opened my eyes and set me on a grand adventure. Thanks for equipping and training me to do the work of the Lord." --Rick W., IL

...: Police Run In ...:

About two Living Waters Employees

Two of our employees, Jaylene and Trish, decided to stay a bit late at the ministry. As they drove home through a rather high-crime area, they took a few moments to slow down and hand some [Million Dollar Bill tracts](#) through their car window to some youths on the side of the road.

Suddenly, a police car pulled up behind them and flashed its headlights. The women pulled over and waited. They realized that they had approached youths at night in a gang-infested area (which isn't the wisest thing for two females to do). But they also realized that it doesn't exactly look good when money is passed out of a car in a drug-ridden area.

When the officer came to the window, Trish said, "It might not be what you think it looks like!"

You're probably going to think that we're crazy." Jaylene added, "Those guys need to hear about Jesus. We were giving them gospel tracts!"

When they gave the officer a Million Dollar Bill tract and showed him the pink and blue [Curved Illusion tracts](#), he smiled and said, "You're showing the wrong person. I'm already saved." He was a brother in Christ, and he didn't stop them because of what they were doing, but because their license plate light wasn't working. The women then gave him a stack of tracts, encouraging him to witness.

Note: The Million Dollar Bill Tract is now also available in [Spanish](#).
