Are You Ready for the Da Vinci Code?

May 19, 2006 could well touch off the most controversial period the Church has faced in years. Why? Because Dan Brown's best-selling book, *The Da Vinci Code* will be released as a movie on May 19th starring Tom Hanks and directed by Ron Howard. We have an unprecedented opportunity to equip the body to answer the challenging questions this movie raises about Christ, his Word and the Church. If we approach this with skill and readiness, we can seize this opportunity to open compelling conversations with the lost.

Da Vinci Code Help from Josh McDowell

Our friend, Josh McDowell, has produced several [excellent resources](#) to help you answer the tough

questions raised by skeptics and segue into the real gospel. One is a 20-page mini-magazine created to be a companion guide to the movie. Another is his book, [The Da Vinci Code - A Quest for Answers](#). For more info, go to www.davinciquest.org.

Da Vinci Code Tract

Da Vinci Code fans will fight for this one! [This tract is twice the size of the million dollar bill](#) and looks like a

valuable collector's item. Please don't miss this opportunity to get the gospel into the hands of the unsaved. Get the tracts and take a team to the theaters. We have learned that the criteria for a good tract is "If we would like to give it

out, so will you." This is because in the past we have produced tracts that were creative, but we didn't really feel excited about giving them out. However, when we saw *this* tract, we couldn't wait to give it out.

Moses Doll

About a month ago, Ray mentioned to his staff that he would like to someday produce a ["Moses" doll, that when squeezed, would recite the Ten Commandments](#) to help

children to memorize the Moral Law. Amazingly, last week a company sent us a sample of a high quality "Moses doll" that recited the Ten Commandments. So we purchased a number of these figures and you can get them through our ministry. The hands feet and fingers are poseable, and the clarity of the Commandments is outstanding. (They are produced by the Christian-owned [Beverly Hills Teddy Bear Company](#).)

COMING THIS SUMMER:

Full House-Growing Pains Book

We are very excited about what we think will be a wonderful publication to give to unsaved family and friends. Barbara Cameron has worked for our ministry for 2-3 years. She has the unique testimony of being the mother of two very successful child actors (Kirk and Candace Cameron) who survived Hollywood, unlike other child stars. What did she and her husband Robert do to avoid the pitfalls of Hollywood? Barbara has been working on her soon to be released book, *A Full House of Growing Pains*, with a godly professional writer Lissa Halls Johnson. Please keep Lissa in prayer. The book should be available this June or July.

Commendation From The Bible Answer Man

In answer to the question, "Is [The Way of the Master] biblical?" Hank Hanegraaff said, "The answer is yes. Thank God there are some good programs on TBN. Kirk came and visited me in my office a number of years ago and I had a wonderful time with him. I don't know Ray Comfort as well. I am certainly familiar with his teachings, and I *really* appreciate his emphasis in using Law to present gospel."

The Way of the Master NEWS

Kirk on TBN - Thursday, March 30

Kirk will be once again hosting the Praise the Lord program on March 30, at 7pm PST. Kirk will be interviewing Lee Strobel ([Case for a Creator](#)) and Randy Alcorn about his new book called [Heaven](#). Music will be provided by Chris Rice. Please pray for this.

There's Still Time

There is still time to join Ray and Todd at the Chicago fund-raising dinner on Saturday April 1, 2006. Or at the Atlanta dinner on April 22. We would love to see you there. For details see [WayOfTheMasterRadio.com](#).

Filming for Future Programs

You may like to make plans to join us as we film for the Third Season of The Way of the Master. We will be spending a day in Utah at the 2006 Mormon Miracle Pageant (June 20-24) where approximately 100,000 Mormons invade the small town of Manti for the event. Ray will preach open air among the thousands of teenagers and interview Mormons about their odd beliefs. We are also planning to film for the Fourth Season at "Sturgis," some time during the biker rally (August 7-13). This is where thousands of bikers get together for a wild party. This will be no place for kids or the weak-hearted.

The Deaf Shall Hear

A note from a viewer...

"For the first time, my deaf son and I watched an episode on TBN together. We have been watching the DVDs at church but not together. Normally I am signing the video to my son. Today, my son happened upon the program on TBN and yelled at me to come watch because it was closed captioned. I am so grateful!!! The deaf are a very lost group of people, and without good training methods that the deaf can understand as well as the hearing, they will continue to be a very lost and forgotten people. Now my son can become as equipped as his hearing sister, to witness to his deaf friends at school, which he has had a multitude of opportunities to do."

The Basic Training Course

A Note From Darrell Rundus, Founder [GNN](#)

"The Way of the Master' has produced some powerful stuff (television show, tracts, the Foundation Course, etc.), but nothing is better than the new [Basic Training Course](#). As the founder and President of the world's largest newspaper circulation sales and marketing firm, I have literally trained thousands of people to approach the public, and I have never seen any training program more complete and practical than this. The Foundation Course was good but the new Basic Training Course is by far the best thing they have ever created. The step-by-step approach to teaching people how to effectively and biblically share their faith makes it extremely easy for anyone to learn or teach it. Not only is it instructional, it's funny and entertaining. This is something every evangelist, pastor and Christian must have. I like it so much, I'm buying five hundred! Shouldn't you get at least one?"

Upcoming Boot Camps

Don't miss the Evangelism Boot Camps. These are life-changing. Los Angeles April 19-23 and New York City, NY May 10-14, 2006. We will be filming for the Third Season in New York in conjunction with the Boot Camp. For details see [TheGreatNews.com](#).

The Teaching in Your Church

If you want to instigate "The Way of the Master" teaching in your church, you may like to print off [this news item](#). It may hold more credibility than a letter.

Spanish Good Person Tract

Our very popular tract "[Are You a Good Person](#)" [is now in Spanish](#) (thanks to the generosity of a brother in Christ).

World View Weekend

March 24 and 25, Kirk and Ray were at the [World View Weekend](#) in Jamestown, ND. If you are interested in attending other World View Weekends, you can learn more about them on their [website](#).

Witness by Mail

Sent in to us from David B. of Pennsylvania

I wanted everyone to know how I get a lot of tracts out into this world. What I do is I go through the local phonebook right in alphabetical order and send tracts to people's homes by mail. I send out a few every day. I also leave them around work, and in public places where they are in good eye shot of people. I always have a few on me so while I am witnessing to the lost I have them at the ready to give to them.

Sharing with 500 People

Sent in to us from Jason P. of Council Bluffs, IA

My grandfather died two weeks ago. There were over 500 people at his memorial service. The pastor opened up the microphone for anyone to share their thoughts and memories. I decided to speak. Anyone who knows me would tell you I am a very shy person, but the Holy Spirit, and the teaching on your show has helped me to be bolder. I couldn't pass this opportunity up!

I shared some fond memories of my grandfather. I then told them that just as my grandfather was here one minute and gone the next, the same may happen to them. I shared the gospel using the Ten Commandments, showing that we are all guilty. I pleaded with them to put Jesus on and make Him their own Savior.

I got to share with over 500 people! Well, afterward I heard reports of all kinds of people being moved. On top of that, my sister had brought a friend of the family, and he made the decision to repent of his sins and accept Jesus as his Savior. God is so awesome!

Thanks so much for your encouragement. You have helped make it easier for me to share the gospel in a straight forward way.

Correction

Last month we erroneously related that The Way of the Master Television program had just won the 2006 NRB People's Choice Award. That was incorrect, however it did win the 2006 NRB **Best Program** Award -- for the *second* year running!
