Merry Christmas

From LivingWaters.com and WayoftheMaster.com

Some Christians don't like Christmas. They see Santa Claus as a disguise for Satan's Claws. Perhaps they are right. However, instead of getting upset by Christmas, we should use it to breach the advances of the enemy.

At this time of year your unsaved friends and family will accept gifts without question. Strangers will accept a gospel message with a candy cane attached. And you can start a conversation, or a street preaching session, with a cheerful, "Merry Christmas!" What an incredible opportunity to share the real meaning behind our Lord's birth -- He was born to die on the cross for our sin.

We've provided some free resources on the left. Some are printable* Christmas themed give away items that contain the gospel, one is an E-Card you can send to unsaved friends, and one is an article that will inspire you to get out of your comfort zone this Christmas.

Whatever you do, please do something. You will

never regret it. There is a constant effort to remove the true meaning of Christmas in this nation, you can spread the true meaning this year. Don't just "intend" to do something; don't wait for someone else. People are dying daily and going to hell. Do something today.

The "Transformed" Conference

More than 6,000 people attended Transformed earlier this month at First Baptist Church Woodstock in Atlanta, Georgia. We all had a *great* time (understatement). It was such a wonderful success we plan to have more Transformed Conferences across the country, so be ready to be a part of these. (Take a look at some pictures from the conference on the front page of WayoftheMasterRADIO.com. We change this website's content frequently, so look today -- we can't promise how long they will be available.)
