MyFishingHole.com - New Area for Churches

Three years ago we created www.MyFishingHole.com as a place for those who loved our teaching and wanted to contact like-minded people in their area. This is a wonderful place to meet up with people who want to share the gospel. Plus, we now have a new area where churches who are teaching one of [The Way of the Master training courses](#) can announce it. So whether you're looking for

other "fishers of men" in your area, or you're looking for a church where you can go through one of The Way of the Master training courses, visit MyFishingHole.com today!

Spiritual Warfare

We are presently filming for the Third Season of our television program. Pictured are scenes from "The Battle for the Lost." Please keep us in prayer, as you wouldn't believe what a battle it was to film this.

New Hell's Best Kept Secret DVD

The new [Hell's Best Kept Secret DVD](#) is available. Just look at what people are saying:

- RON DICIANNI: "Ray Comfort forever changed my approach to sharing the gospel."
- TOM GRINNER, Gateway Broadcasting: "This is the hottest message on the planet!"
- PASTOR REB BRADLEY: "It will revolutionize the Church."
- PASTOR WAYNE WELBORN: "The best thing I have ever heard!"
- PASTOR KEN ARMSTRONG: "I began to weep as I saw the importance of this message."
- PASTOR JEROD MCPHERSON: "'Hell's Best Kept Secret' has completely destroyed my theology. What was first anger toward you caused me to search the Scripture, and has now turned to a sincere thank-you."
- TOM ELLIFF, Past-president of the Southern Baptist Convention: "'Hell's Best Kept Secret' is a message every congregation needs to hear."
- EVANGELIST LARRY TAYLOR: "After a thousand revivals and area crusades, I have used a lot of soul-winning materials. 'Hell's Best Kept Secret' is the greatest single tool I have ever found."

It's NECESSARY

There is a popular campaign going around some churches. It's called "Silent Witness Week," where people wear a little button with three crosses on it, with the words "He Lives!" The quote from St. Francis of Assisi is used for the silent witness: "Preach the gospel at all times. Use words if necessary." So, we hereby declare next week "Break the Silence Witness Week," with a slightly amended quote: "Preach the gospel at all times. Use words, they are **necessary**" (St. Francis of Assisi--corrected).

Hand Jive

"I love this little book! Every page I turn I am amazed at the gold nuggets. It's the sort of book you can read and re-read every day of the year."

~Mark Spence, Dean School of Biblical Evangelism

Keeps Your Tracts Clean and Crisp

How many times have you gone to give out a tract only to find it's become wrinkled, torn, or generally a mess from time spent in your pocket or purse. This little [tract wallet](#) will keep those millions looking like a "million bucks" till you're ready to hand them out. Only \$1.50 each. Add one to your next order.

In the Pipeline

- We have a very exciting book coming out in May/June called *Hollywood Be Thy Name*. See [Ray's article](#) for a sneak-peek.
- A new tract called the \$100 Bill Booklet. We are ecstatic about this tract. We think it's better than The Wallet. It is incredible.
- A DVD called "Close Up and Personal." Ray took a hand-held camera and witnessed to gang members (and defense attorneys) in South Central Los Angeles--the murder capital of America.

Job Opportunity

As many of you know, our ministry has been experiencing extraordinary growth in recent months. We praise God for this. As a result, we are in need of hiring dedicated believers to serve the Lord with us. We are in search of customer service representatives whose main responsibilities will entail assisting customers over the phone and packaging orders. This position starts at \$8.00 per hour and may or may not include medical benefits. It is full-time so Monday through Friday availability is required.

If you are interested, and you live in the Los Angeles or Orange County areas of California (preferably no more than 40 miles away from the city of Bellflower), please click on the link below to submit your online application. Please do not fill out the application or respond to this e-mail if you do not live locally as it will not be possible for us to relocate anyone for the position at this time. Also, please do not respond with inquiries about other available positions. This is the only position that we are currently hiring for, and we will send out other notifications if more positions become available in the future. Thank you so much for your kind understanding.

You will only receive a response to your application, if you correctly fit the job description and an interview is warranted, and you should hear back from us within one week. No calls will be necessary to check on the status of your application. We thank you in advance for your patience.

We truly covet your prayers during this exciting season in our ministry's history. God is doing incredible things, and we are so grateful to the Lord that you are standing with us.

Ministry in Guatemala

From Andy Lapins of [Transfired Ministries](#), Redford, Michigan

I flew back home from Guatemala last Friday. The ministry there was absolutely wonderful. I ministered in the very poor and rural part of western Guatemala. I spoke at a few churches on evangelism. I also was able to teach about evangelism on a Saturday from 8:00 AM until about 12:30 PM to a group of pastors and Bible students. I was also able to give them your [Spanish HBKS book](#), "[How to Get on Fire](#)" CD and [Spanish tracts](#). They then went out on the streets to witness. Then during the week I taught 4 hours for 3 days to small group of students. Some students had to travel 4 hours to come to the teaching! Each day after the teaching we hit the streets for witnessing. I was deeply touched by how grateful the students were for the teaching. They were extremely grateful for the books, CDs and tracts as well.

Sharing on University of Texas Campus

From Daniel S. in Texas

We had great success with your material at the University of Texas. We condensed "[Hell's Best Kept Secret](#)" down to fit on a 10ft x 12ft billboard we took to the campus. We shared the Gospel with more than 300 students over 4 days!

Do you want to contribute your witnessing experiences, tract stories, and creative evangelism ideas to the "Coffee Break" column? Send them to: share@livingwaters.com and maybe we'll use yours! (Please include your first name, last initial, and location, in case we use your story!)
