## ABC to Air Live Atheist Debate with Kirk Cameron and Ray Comfort

When ABC ran a story in January about hundreds of atheists video-taping themselves blaspheming the Holy Spirit, Ray contacted the network and told them he could prove God's existence, absolutely, scientifically, without mentioning the Bible or faith. He said that he and Kirk would like to challenge the two originators of the "Blasphemy Challenge" to a debate on the existence of God. ABC loved the idea. The debate will be filmed

for Nightline in New York City, and will be streamed LIVE on their [website](#) on May 5, 2007.

As you probably know, Ray has **credentials** for this debate as the author of *God Doesn't Believe in Atheists*, a speaker at Yale on the subject of atheism, and a platform speaker at the 2001 American Atheists Inc. annual convention. And Kirk, possibly the most highly respected **ex-atheist** in Hollywood, is the perfect choice to address the unscientific nature of Darwinian evolution.

Please keep this event in your prayers. We couldn't be more excited about the opportunity!

## Turn on Your Radio!

Turn it on, you might just hear The Way of the Master Radio where we've never been before. God has been kind enough to allow us to be on **50 new radio stations**: The Effect Radio Network. You can [check here](#) to see if you can hear us in your city.

Station managers love to receive feedback. If you receive the program in your town, would you consider sending an e-mail of thanks / encouragement to the station manager? [You can do that here.](#)

## Two New Books

Is your daily commute more like Nascar than nice? Have you ever wondered where your lost airline luggage goes to be found?

If you like to laugh, you'll love these two new books: [101 Annoying Things About Other Drivers](#) ("This book is hilarious. *Hilarious!*" ~ Joy C., California) and [101 Annoying Things About Air Travel](#). These books are collections of funny stories, quotes, riddles, and jokes about the annoying things that happen on the road and in the air. They make great gifts for friends, coworkers, or family members because both include a very clear gospel message.

## Two New Tracts

### Crumpled \$100 Bill Tract

If you like the Million Dollar Bill, then you'll love the new [crumpled \\$100 tract](#). From either side it looks like a \$100 bill that's been dropped and stepped on. But it opens up to a 12 page booklet with a very thorough gospel message. (You can read the entire [text of the tract online here](#).)

### Darwin \$10,000 Bill Tract

We have a new evolution tract that looks like it's worth something -- [the Darwin \\$10,000](#). And it is -- if you can provide evidence of a living transitional form you get \$10,000 cash. This makes the evolutionist put his mouth where our money is.

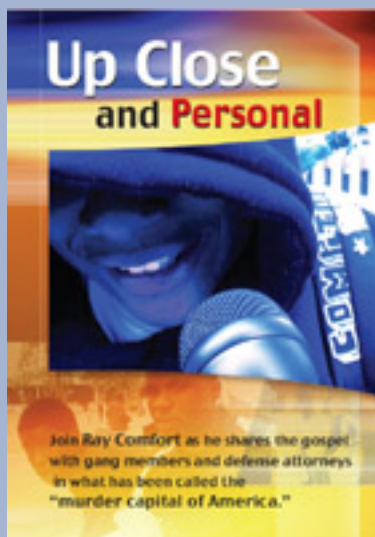

## April Special - Bible School Discount

For the rest of this month we will be offering 20% off registrations for [“The School of Biblical Evangelism.”](#) Join over 8500 students from around the world (you will still get all the trimmings--the free material), but you only pay \$120 rather than the usual \$150.

- “I am a Pastor with two Ph.D's in Theology. I have studied every evangelistic tool published. This has been the most effective to date. I have fun sharing the Gospel!! My wife and I enjoyed everything about the classes, the listening assignments and the requirements. I took our church through this and they loved it!!!” - Pastor Gary R., Mount Sterling, Kentucky

## Murder Capital of America

Late last year Ray went to South Central Los Angeles (Compton city) with a video camera and witnessed to gang members and defense attorneys. This DVD is unique because it really is up close and personal. Then he “chalked-talked” the interviews. If you like our stuff, you are going to LOVE [“Up Close and Personal.”](#)

## Barbara Cameron

Have Barbara Cameron come to your church or women's meeting. Get the inside story as to what it's like to raise two famous child actors in Hollywood, and at the same time hear how God changed Barbara's life and the life of her entire family. For details go to [www.BarbaraCameron.net](http://www.BarbaraCameron.net).

- “I was really impressed with Barbara Cameron’s honesty and transparency. I REALLY liked her slide show. I felt that it helped me get to know her, and that made her presentation that much more effective.” Hailey (CA)

# MINISTRY FRIENDS IN THE SPOTLIGHT

Each month in this section we want to shine the spotlight on friends of the ministry that we feel will be a help and encouragement to you as we spread the Gospel around the world together.

## [EvangelismStuff.com](http://EvangelismStuff.com)

At [EvangelismStuff.com](http://EvangelismStuff.com) you will find wonderful, unique evangelistic resources to compliment your Living Waters / Way of the Master resources.

For example, they are the ones who came up with the ["Good Person" t-shirt](#) that we now carry in our own store. The shirt says, "Are you a good person? Pass a 3 question test and I'll give you \$20 cash. This is not a joke." Their site has lots of other designs geared toward helping you start a conversation with an unbeliever. Check it out!

## Just Transformed Georgia, Kansas is Next!

Wow! An amazing time was had by all at Transformed in Americus, Georgia. Thank you to everyone in Americus who worked so hard. We are very, very grateful. (By the way, you might like to read [Ray's article](#) on what happened *after* the conference.) But whatever you do, be sure to register for the [Kansas City Transformed Conference](#). It will be held on **Saturday, May 12**. There will be a morning and an afternoon conference the same day, offering you two different opportunities to attend. Attending a Transformed conference is completely FREE of charge... and just look at what people are saying:

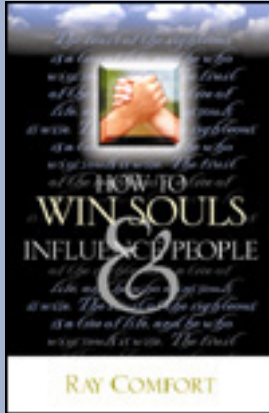

07 - A. Smith - WebHeadZ1.com

"If I could only attend one conference this year, this is the one that I would not have the courage to miss! Not for spiritual wimps, this conference will at once leave you shaken, shocked, invigorated, and blessed!" - *Paige Patterson - Southwestern Baptist Theological Seminary*

## Required Reading

"I used to go around saying that [The Way of the Master](#), after the Bible, was the book that has most influenced my life. But since reading [How to Win Souls and Influence People](#), that has changed. Both of these books have equally influenced me. *The Way of the Master* primed the pump, and *How to Win Souls* has **opened the flood gates!** This book should be required reading for every pastor... no, for every Christian!" -- Pastor Matt J., Oglethorpe, Georgia

## Evolution Game Back in Stock

After selling out, we now have a new supply of the board game ["Intelligent Design Versus Evolution."](#)

## New Asian Agency

Finally, after a great battle to make it a reality, we now have an Asian Living Waters agency. [Living Waters Asia](#), headed by Dennis Mark Y. Aglosolos, provides customers in Asian countries with Living Waters products. They also offer an evangelism training seminar/workshop.

## Texas House

We still have a house in Texas for sale (at a reduced price). For information, please contact [mark@livingwaters.com](mailto:mark@livingwaters.com).

real life stories from people just like you

### Quick and Easy Tract Rack *From the MacMillans, Kentucky*

We bought a clear plastic shoe rack – you know, the kind that hangs over the back of a closet door – for \$12. It holds gobs of tracts.

### Make 10 Commandment Coin Necklaces *From Ryan H. of Brisbane, Australia*

One thing you can do with the [Ten Commandment coins](#): Drill a very thin hole between the "THE" and "TEN" words on the coin, place a split ring through the hole and attach a leather cord, and you have a very nice necklace. People will ask you what it is, and you have a perfect opportunity to witness to them. We made about 180 of these coin necklaces and gave them as a gift to the children of an orphanage that we sponsor in Burma...and they absolutely loved them!

Do you want to contribute your witnessing experiences, tract stories, and creative evangelism ideas to the "Coffee Break" column? Send them to: [share@livingwaters.com](mailto:share@livingwaters.com) and maybe we'll use yours! (Please include your first name, last initial, and location, in case we use your story!)
