Over 100 Contacts in Europe

We are thankful that over 100 people have volunteered to act as contacts in Europe as we film our Fourth Season. One hotel owner in France has kindly offered his hotel free of charge. We are at present negotiating with the Prince of one of the countries to allow us to interview him on camera. Each program will not only have open air preaching, give the history of the country's heroes of the faith, interview local pastors, but they will also have some unique aspects. We will drop real wallets containing money and a card. The card will say "IMPORTANT: If lost, please call this cell number," and we will secretly film what people do. If they steal it, we will follow them (wearing spy-camera glasses) to see what they do. The wallet will also contain an important-looking "Bond Certificate" that will have a gospel message (in two or three languages) that emphasizes theft. If the person does call the cell phone, they will get a reward, and we will then ask on camera why they returned it. Were they tempted to steal it? Do they fear God? Etc.

Please pray for us as we work out the logistics of 14 people traveling to 13 countries in 13 days,

and filming 13 episodes. We leave New York for London on September 20th.

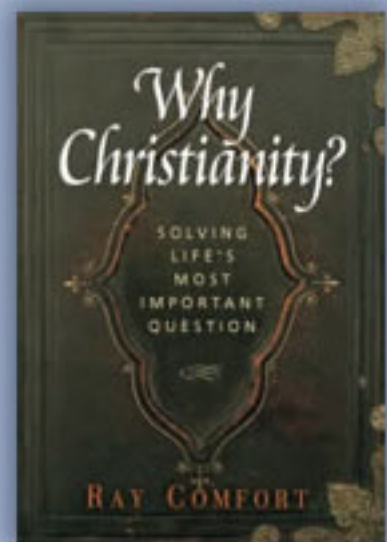

We still need contacts in Munich, Germany and Timisoara, Romania. Please contact Trish at tramos@livingwaters.com if you can be a contact person in one of those areas. Also, please contact us if you're interested in sponsoring one of the programs.

Why Christianity?

"I just received the 500 copies of [Why Christianity?](#) I ordered, and I have just finished reading it. Tears are rolling down my face. This by far is the best tract in print today." ~ Dave F. (Illinois)

This is probably the clearest and most common sense presentation of the Gospel you will ever read, because it plainly and reasonably shows why Christianity is head and shoulders above other major religions. [Read the entire booklet on line.](#) This is available at a very low bulk rate.

Strobel Endorsement

Someone sent us an article in which Lee Strobel wrote the following encouraging words: "God has given [Comfort and Cameron] a message that the Church, especially those of us involved in outreach, needs to hear. I admire their zeal, and I'm glad we're friends . . . I think they're doing the Church a valuable service." Lee Strobel is the author of several best selling Christian apologetics works, such as, [The Case for Christ](#) and [The Case for the Creator](#).

Where to Send Sinners

If you are witnessing to someone and want to point them to a site that will be helpful, feel free to send them to any of these address: [SaveYourselfSomePain.com](#), [SaveYourselfSomePain.net](#) or [SaveYourselfSomePain.org](#).

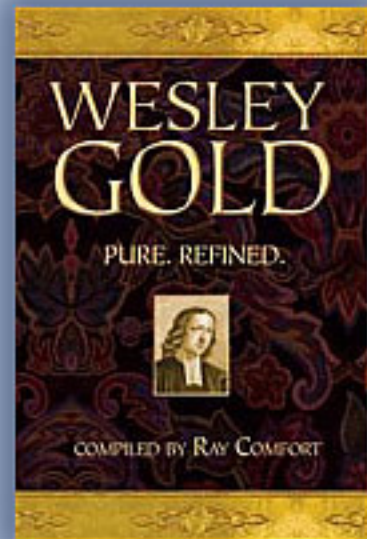

New Scratch Off Tract

Do you want a tract that is fascinating, and has a five-minute getaway time? Then you will love ["The World's Ten Most Popular Things."](#) Here are three of the ten questions: What is the world's most popular name? Most popular drink? Most popular food? The answers are covered in a scratch-able gold, and that gives you the getaway time. The tenth answer is very interesting. Make sure you check it out.

Wesley Gold

We now have a third publication in our "Gold" series--[Wesley Gold](#). This is the cream of the life and amazing quotes of one of the greatest preachers to ever live. John Wesley makes the hottest of us feel lukewarm. Buy the book for \$13.99, or get the [set of Wesley Gold, Spurgeon Gold and Whitefield Gold for only \\$28](#) (normal retail is \$41.97).

Huntington Beach Clips on YouTube

You can now watch the open air preaching at Huntington Beach from each Saturday, thanks to the hard work of our faithful Stuart "Scotty" Scott, who videotapes the preaching and puts it on line. Go online to:

www.YouTube.com/TheWayoftheMaster

MINISTRY FRIENDS IN THE SPOTLIGHT

Each month in this section we want to shine the spotlight on friends of the ministry that we feel will be a help and encouragement to you as we spread the Gospel around the world together.

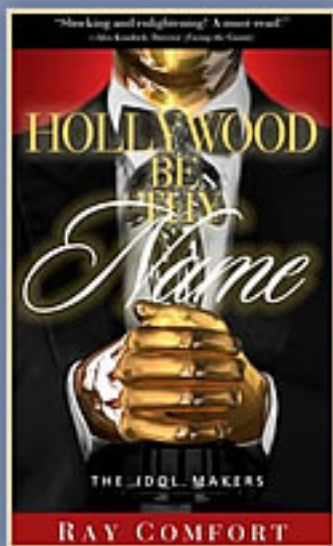

Ten-Four Ministries

Ten-Four Ministries is an organization devoted to bringing the gospel to the law enforcement community. The founder, Tony Miano, is a retired, twenty-year veteran of the Los Angeles County Sheriff's Department. Today he works as a full-time missionary, with Ten-Four Ministries.

And we are pleased to say he has just recently become part of The Living Waters / The Way of the Master board of directors. You can also catch Tony occasionally on The Way of the Master Radio program during the phone fishing segments.

Hollywood Be Thy Name

"Shocking and enlightening! A must-read!"
-- Alex Kendrick, Director, Facing the Giants.

Don't miss [Hollywood Be Thy Name](#) as it has such an important message for the Church. It exposes Hollywood's hatred for God, how they are turning generations against Christianity, and what you can do about it. It comes with a free eye-opening 13 minute "Hollywood and God" DVD. The book is also an excellent gift for the unsaved. If you request it, it can be signed by the author.

Curved Illusion in Spanish

One of our most enduringly popular tracts, the [Curved Illusion](#), is now available in [Spanish](#). It's a really interesting optical illusion that makes starting a conversation with a stranger very easy. When you hold the two cards up side-by-side, one appears to be about a half inch longer than the other... but switch the cards and now the *other* appears longer. And don't worry about getting them mixed up with your English ones... the Spanish Curved Illusion tracts aren't pink and blue. [You can follow this link to see the new colors, and to read the text of the tract in Spanish.](#)

Hell's Best Kept Secret PLUS

Through some careful editing, we have been able to get our two most important messages-- "[Hell's best Kept Secret](#)" and "[True and False Conversion](#)" onto one CD.

Even The Unsaved Love Handing Out *These* Tracts

From Mary H., Bakersfield, CA

I have been saved for 6 years, married for 21 years, and my husband is not saved...yet. I recently got the stack of [Million Dollar Bills](#) and thought they would be so easy to give away. I showed one to my husband, and asked if he thought it looked real. He looked over the front of it and said, "Yeahhhh..." then turned it over (as my heart began to pound) and he read the whole message out loud, not hesitating as he normally would with anything he deemed "religious". What amazed me after that was this -- he grabbed almost the whole stack and took them with him that morning to the golf course to hand out to all his buddies!! And I don't believe a single one of them are born again! Then...I found out he was handing them out at his company! He isn't even saved and he's doing a bang up job of getting out the Gospel! On top of that, my teenage son is handing them out to all his friends that come over. Oh, if I would just order more, I might be able to get some out, too... Thank you for your creative ways you help the saved (and unsaved!) get the way of salvation out there to a lost and dying world! God bless all of you!

Do you want to contribute your witnessing experiences, tract stories, and creative evangelism ideas to the "Coffee Break" column? Send them to: share@livingwaters.com and maybe we'll use yours! (Please include your first name, last initial, and location, in case we use your story!)
