## New DVD Course

If you have seen the incredible potential of "The Way of the Master" teaching, and you want to convince others of what it can do for them and for the cause of the Gospel, we have the answer for you. This "[One-Day Evangelism Crash Course](#)" has been designed to do just that in a way that has proven to work.

It contains three eye-opening DVDs, that are designed to convince of the truth of biblical evangelism. This results in a deep compassion that swallows fear and equips one to be effective in everyday life. It moves people from passive to passionate in just one day!

## Halloween is Coming

## Kirk Cameron shoots Ray Comfort

Don't worry; it was only a flesh wound. This is for an upcoming episode of the Third Season of "The Way of the Master" TV program. It is called "What Scares You?" We hope to have the entire season completed by the beginning of 2008. Please pray for us.

## Crowd Hears Teaching

A massive crowd of 60,000 heard "Hell's Best Kept Secret" on Sunday morning September 2nd, at a festival in Sioux Falls, South Dakota.

The teaching is [now available on one CD](#) along with our

other most important teaching, "True and False Conversion."

"It was the message 'Hell's Best Kept Secret' that set me on fire to evangelize the world. I have now been a missionary for about five years in the foothills of Tibet ministering to Buddhists and Muslims. I have prayed and longed for the day that 'Hell's Best Kept Secret' would no longer be the secret that it once was, and I am overjoyed to see all that God has done and is still doing!" - Eugene W.

[If you haven't heard Hell's Best Kept Secret, listen online today.](#)

## Hollywood and God

Thanks to American Family Association, in just one week a total of 183,545 people viewed the ["Hollywood and God" DVD online](#). If you haven't seen this life-changing 13 minute clip, please go to [www.HollywoodandGod.com](http://www.HollywoodandGod.com). The DVD comes free with the book [Hollywood Be Thy Name](#).

## Fourth Season

Our film crew has been broken into three teams to do the Europe shoot. We are filming the entire thirteen episodes of the Fourth Season by traveling to thirteen countries in thirteen days. We leave on September 20th. Please keep us in prayer during that time. There are always hindrances with this teaching, so it's very important that you keep us in prayer. We are very excited about what God is going to do.

## The iBible (KJV)

Listen to the entire KJV Bible in beautiful digital audio without having to mess with cumbersome tapes or CDs... the *whole Bible* is contained on this iPod-like player. Now you can easily listen to the Scriptures while you do yard work, chores, or exercise.

[The iBible](#) is fantastic for personal devotional time as it remembers where you left off listening and starts you there again the next time you turn it on. Along with the normal play mode it can also be set to "repeat chapter" or "repeat book," making it a great aid for memorization. It has fast book and chapter scrolling (both forward and backward) as well as an OT/NT file manager switch. Plus, the iBible's contents can't be formatted, so there's no chance you might accidentally delete something (the way you can on an iPod).

Please be aware that we have a very limited number of these in stock, and they are available on a "first come, first served" basis only.

## Gospel Message on My Car's Back Window

*Original idea sent in by Patrick B. of Newton, NJ*

*Implemented below by Anna J. of Bellflower, CA*

First I bought a dry erase marker and a couple of "Chalk Ink" markers.\*

Then I made sure my back window was clean -- inside and out. Next I took some time to write out the message just the way I wanted it with the dry erase marker on the

outside of the back window. Once it looked like I wanted, my husband and I used the Chalk Ink markers to trace the dry erase letters on the *inside* of the window. After it was completely traced, we used a soft cloth to wipe the dry erase marker off the outside. We really like the way it turned out, and we can change it whenever we want (the Chalk Ink comes off with window cleaner). (\*You can get Chalk Ink markers online or at your local craft supply store. For thicker letters you could try the Sharpie Poster Paint markers with the "Extra Broad Point," which are also made to come off glass with window cleaner.)

Do you want to contribute your witnessing experiences, tract stories, and creative evangelism ideas to the "Coffee Break" column? Send them to: [share@livingwaters.com](mailto:share@livingwaters.com) and maybe we'll use yours! (Please include your first name, last initial, and location, in case we use your story!)
