Brand New Million Dollar Bill

Thanks to the talents of Dale Jackson (our graphic artist), we have a wonderful new [Million Dollar Bill tract](#). Its features include:

1. Longer gospel message. The old one had 167 words - this one has 196.
2. An unfamiliar president that stirs curiosity. People often start a conversation with "Who is this?"
3. With 18 million in print, some have seen the tract before. You can now say, "This is a new one. There's a longer message on the back. Make sure you read it."
4. It has a unique classic "collectible" appearance, and therefore a perceived value.

The Academy

We have had three wonderful [Ambassadors' Alliance Academies](#). Join us for instructive teaching from Mark Spence (Dean of the 10,000 student School of Biblical Evangelism) Kirk, Ray, EZ, Duane (the Director of The Way of the Master Television program), Scotty, and Tony (21 years as a police officer with the Los Angeles sheriff's department). Then spend a day in Hollywood and one in Huntington Beach. We are fully booked for the next two academies, but you may get into the [September Academy](#), if you are quick.

WHAT PARTICIPANTS ARE SAYING:

"It was an experience that I will never forget. I rank it up there with getting saved, getting married, and having my kids. Tears come to my eyes every time I think of it."

"Aside from my own salvation experience, the Ambassadors' Academy was the best spiritual experience of my entire lifetime."

"When can I come back?"

"I am truly truly blessed to have been a part of this beautiful experience."

"This was a life changing experience for me."

Check out Alvin. He's from Phoenix, is 91 years old, and wears hearing aids. He signed up for a [One Day Crash Course](#) and then went onto the streets.

He would say, "They're going by too fast--I'm missing some of them." When he gave a tract to someone, he would say, "Now be sure to read this--it's got a real good message--it asks what you think will happen when you die--it's real important." People were so endeared to him that one even gave him flowers.

Dr. D. James Kennedy

Truths That Transform (the national radio ministry of the late Dr. D. James Kennedy) aired "Hell's Best Kept Secret" on June 10-11. This was the third time that they have broadcast the teaching. If you haven't heard it, you can [freely listen here](#).

Indiana Jones Fever

With the resurgent interest in the movies, we thought you might like to check out the website of self-styled "Indiana Jones" Robert Cornuke. The BASE Institute ([BASEinstitute.org](#)) has some interesting archeological theories.

Kids Use "May Day" to Give Their Teachers Tracts

Received as an email from David M. of Sioux Falls, SD

For May Day a group of twenty-eight Christian students in Sioux Falls, South Dakota assembled 84 "May Day baskets" to hand out to teachers and administrative staff at their middle school. Inside the small baskets were packets of seeds, pencils, candy and two Gospel tracts: a [Million Dollar Bill](#) and [Mind Game](#). This group was from a campus ministry called "Souled Out" that meets once a week.

Wal-Mart Outreach, Open Air at the DMV, and a Million Dollar Witness

Received as an email from Steve W. of Gilbert, AZ

Thanks to your monthly newsletter I read a tip from someone who wrote in that all Wal-Marts have to let a group set up a table in front of the store as long as you don't try politicking or asking for money. I took the idea to my Pastor and we contacted two of the local Wal-Marts and will be handing out [tracts](#) and witnessing as well as inviting people to our Church. Thank you so much for your burning passion to serve the Lord and for the bold materials you have made available. In about a month we will begin our open air preaching hopefully at our local DMV. For over two years I've been leaving the [million dollar bill tracts](#) in pay phones all around the Phoenix area, but lately I've felt encouraged to start giving them to people. My fears were totally unfounded. **Not one person has refused these tracts!!** God bless you Ray, and the rest of your ministry workers.

Do you want to contribute your witnessing experiences, tract stories, and creative evangelism ideas to the "Coffee Break" column? Send them to: share@livingwaters.com and maybe we'll use yours! (Please include your first name, last initial, and location, in case we use your story!)
